Comments

Meet the 2023 Jeep Wrangler Rubicon 4xe—a capable hybrid SUV designed for adventure and everyday versatility. This Silver Zynith Clearcoat model combines impressive efficiency with legendary Jeep off-road capability, backed by a clean Carfax and a 128-point safety inspection. With 53,466 miles, this Rubicon 4xe is ready to deliver years of dependable service.

Key Features:- Uconnect 4C Nav with 8.4" touchscreen display- Apple CarPlay and Android Auto smartphone integration- Heated steering wheel and heated front seats- Remote start system for convenient climate control- Black 3-piece hard top for all-weather protection- Front dual-zone automatic temperature control- 17" machined wheels with black pockets- Quick Order Package 29V Rubicon- Cold Weather Group- 4-wheel disc brakes with electronic stability control

This Wrangler Rubicon 4xe is equipped with a 2.0L turbocharged four-cylinder engine paired with an 8-speed automatic transmission and standard 4WD. The hybrid powertrain delivers responsive performance while optimizing fuel efficiency for daily driving and longer trips alike. Inside, premium cloth bucket seats, a heated steering wheel, and front heated seats ensure comfort throughout the year. Navigation, remote keyless entry, SiriusXM Guardian emergency communication, and the ParkView backup camera round out the convenience and safety features.

Don't miss this opportunity to own a well-maintained 2023 Jeep Wrangler Rubicon 4xe that combines modern technology with rugged capability. Visit us today to take a test drive and experience the Rubicon difference for yourself.
