Comments

This 2023 Ram 1500 Big Horn/Lone Star in white combines rugged capability with modern convenience. Powered by the proven HEMI 5.7L V8 engine with Multi Displacement VVT eTorque technology, this 4WD truck delivers the performance you expect from Ram. With just under 50,000 miles, this truck remains well-maintained and ready for work or weekend adventures. Key Features:- HEMI 5.7L V8 with 8-Speed Automatic and 4WD- Uconnect 5 with 8.4" touchscreen, Apple CarPlay, and Android Auto- ParkSense front and rear park assist with stop- Heated steering wheel and heated front seats- E-Locker rear axle and raised ride height- Trailer brake control and class IV receiver hitch- 128-point safety inspection completed- Clean Carfax This truck has passed a comprehensive 128-point safety inspection and offers a clean Carfax history, giving you confidence in its condition and reliability. The Big Horn/Lone Star trim includes the Big Horn Level 1 Equipment Group and Off Road Group, adding premium touches like power-folding mirrors with heating elements, fog lamps, and off-road capability enhancements. Achieving 17 city and 22 highway mpg for a vehicle of this caliber, the 1500 balances performance with efficiency. The truck features all-terrain prowess with electronic shift-on-demand transfer case, extra-heavy-duty shock absorbers, and all the modern tech you need on the road. Visit us today to experience this capable Ram 1500 firsthand.
