Comments

This 2016 Ford Focus ST is a spirited hatchback that combines performance and practicality in one engaging package. With its turbocharged EcoBoost engine and responsive 6-speed manual transmission, this blue sport compact delivers the driving dynamics you'd expect from the ST badge. The third-party inspection confirms this car looks and runs great, and as a non-smoker vehicle, it's been well cared for by its previous owner.- Turbocharged 2.0L EcoBoost engine with manual transmission- Brake assist and Electronic Stability Control- Four-wheel independent suspension and rear parking camera- 18" Rado Gray alloy wheels with performance spoiler- SYNC Communications & Entertainment System- Telescoping and tilt steering wheel- Cloth sport seats with unique ST logo- Air conditioning and rear window defroster- Fully automatic headlights with front fog lights- 4-wheel disc brakes with ABSThis Focus ST delivers EPA-estimated 22 city / 31 highway MPG. Actual mileage may vary. With just under 72,000 miles, this hatchback remains in its prime years and offers plenty of enjoyable driving ahead. The combination of turbocharged performance, sport-tuned suspension, and proven Ford reliability makes this an excellent choice for drivers seeking an affordable thrill on the road. Come see this blue ST in person and experience what makes it such a favorite among enthusiasts.
