Whether you're managing a full family load or need extra space for gear, this configuration works with your lifestyle rather than against it.Technology integration keeps you connected without distraction. The SYNC 3 system responds to voice commands, while smartphone integration through Apple CarPlay and Android Auto puts your essential apps and navigation directly on the 8" touchscreen. Remote start, vehicle location tracking, and remote lock/unlock through FordPass Connect add convenience to your daily routine.Comfort features throughout the cabin demonstrate attention to detail. Dual-zone climate control ensures everyone rides satisfied, while the power-adjustable passenger seat with lumbar support adds refinement to long drives. The heated sideview mirrors and rear window defroster address weather challenges directly.Safety encompasses multiple layers. Electronic Stability Control, four-wheel disc brakes with ABS, and a comprehensive airbag system provide foundational protection. Rear parking sensors and the backup camera help you navigate tight spaces with precision, while BLIS technology alerts you to vehicles in your blind spots.This Explorer has been regularly serviced and thoroughly inspected by a third party, reflecting its solid condition and honest value. At 82,101 miles, it's broken in but far from worn out, representing an excellent choice for buyers seeking proven reliability without premium pricing. Come see it in person and take it for a test drive to confirm it's the right fit for your needs.
