Comments

Discover the 2024 Ford Escape Active, a stylish black compact SUV designed for drivers who value reliability and capability. This vehicle has passed a dealer inspection and been meticulously detailed to ensure you're getting a well-maintained crossover ready for the road ahead.- 1.5L EcoBoost engine with 8-speed automatic transmission- 27 city / 34 highway MPG for efficient everyday driving- SYNC 4 infotainment system with SiriusXM radio- Power liftgate for convenient cargo access- Automatic temperature control with front dual-zone A/C- Exterior parking camera with rear view- Alloy wheels with 17" shadow silver-painted finish- Power driver seat with multiple adjustments- Electronic Stability Control and traction control- Brake assist with 4-wheel disc brakes- Dual front and side impact airbags with overhead protection- Speed-sensing steering for responsive handling- FordPass Connect for remote vehicle managementThe Escape Active combines practical comfort with smart engineering. Its four-wheel independent suspension delivers smooth handling on varied road conditions, while speed-sensing steering keeps you in control whether navigating city streets or highway routes. The front-wheel-drive configuration provides reliable traction and a confident driving experience. Inside, you'll find thoughtfully designed accommodations. Unique cloth front bucket seats provide comfortable support for daily commutes, complemented by a front center armrest for added convenience. The split-folding rear seat adapts to your needs, expanding cargo capacity when required. Climate control reaches all passengers through automatic temperature adjustment and rear window defroster functionality. Technology integration keeps you connected without distraction. SYNC 4 manages your audio and communication needs, while steering wheel-mounted controls let you adjust settings without taking your hands from the wheel. The trip computer, tachometer, and outside temperature display provide useful driving information at a glance. Safety remains prioritized throughout the cabin. Multiple airbag systems including dual front, dual front side, knee, and overhead protection surround occupants. Electronic Stability Control and traction control work together to maintain grip, while brake assist enhances stopping reliability. The SYNC 4 911 Assist emergency communication system connects you to help when needed, and low tire pressure warning keeps you informed of your vehicle's condition. This 2024 Escape Active has received a recent oil change and is ready for your ownership. Visit our showroom to experience the complete package of efficiency, comfort, and security this crossover delivers.
