Comments

This 2023 Ford Explorer XLT in Blue delivers capable family transportation with efficiency and modern convenience. Equipped with a 2.3L EcoBoost engine paired with 10-speed automatic transmission and 4WD capability, this three-row SUV balances power and practicality. With just over 23,000 miles, this Explorer shows excellent care and represents an ideal opportunity for buyers seeking a well-maintained vehicle.

Key Features:- Twin Panel Moonroof- Class IV Trailer Tow Package- Ford Co-Pilot360 Assist+- 20" Premium Painted Aluminum Wheels- SYNC 3 with Apple CarPlay and Android Auto- Intelligent Adaptive Cruise Control- Heated ActiveX Captain's Chairs with Power Adjustment- Voice-Activated Touchscreen Navigation- LED Fog Lamps- Remote Start System

This Explorer XLT has undergone a thorough third-party inspection, confirming its outstanding condition. The cabin offers dual-zone automatic climate control, heated steering wheel, and heated captain's chairs for enhanced comfort. Advanced safety features including electronic stability control, brake assist, and evasive steering assist provide confidence on every journey. The power liftgate and split-folding rear seat create flexible cargo space for your lifestyle. The XLT strikes the perfect balance between capability and everyday usability. With an EPA-estimated 20 city and 27 highway MPG, this Explorer maximizes efficiency without sacrificing performance. We invite you to schedule a test drive and experience the spacious comfort and advanced technology this well-maintained three-row SUV provides.
