Comments

This 2023 Ford Ranger XLT combines capable truck performance with refined comfort and technology. With just 2,667 miles, this gray beauty delivers the reliability and style you're looking for in a modern pickup. A one-owner vehicle that's been meticulously maintained, it represents an excellent opportunity to own a practically new truck at an outstanding value.

Key Features:- Equipment Group 302A High with premium amenities- Trailer Tow Package with Class IV hitch receiver- SYNC 3 with Apple CarPlay and Android Auto integration- Technology Package including navigation and adaptive cruise control- Black Appearance Package with aggressive styling details- Heated front seats with leather-wrapped steering wheel- 18" machined aluminum wheels with magnetic pockets- Tough bed spray-in bedliner for protection- Front and rear parking sensors with rearview camera- 3.73 axle ratio for optimal performance

This Ranger has been thoroughly inspected by a third party and passed with flying colors. All services are current and up to date, and the clean Carfax confirms its single-owner history. Non-smoker vehicle that looks and runs great—this is exactly the first vehicle or upgrade you've been waiting for.

With the EcoBoost 2.3L turbocharged engine delivering 20 city and 26 highway MPG, you get impressive efficiency without sacrificing capability. Low mileage combined with complete service history makes this an exceptionally smart purchase. Don't wait on this one—quality trucks like this move fast. Contact us today to schedule your test drive and experience the perfect balance of truck capability and everyday comfort.
