Comments

This 2021 Ford Ranger XLT in crisp white delivers capable performance and premium features for the truck buyer who demands both style and substance. With a turbocharged EcoBoost 2.3L engine paired with 4WD and an off-road-ready suspension, this truck handles any terrain with confidence. The XLT trim brings genuine comfort alongside rugged capability, making it equally at home on city streets or wilderness trails.**Key Features:**- FX4 Off-Road Package with electronic-locking rear differential and terrain management system- Trailer Tow Package with Class IV hitch receiver- Upgraded wheels and tires with level kit for custom appearance- SYNC 3 infotainment with Apple CarPlay and Android Auto- Front dual-zone automatic climate control- Leather-wrapped steering wheel and shifter- Auto-dimming rear-view mirror with reverse camera- Off-road tuned suspension with front anti-roll bar- 5" rectangular black running boards- Magnetic front and rear bumpersThis truck has been meticulously maintained with all services completed and up to date. A recent third-party inspection confirmed its excellent condition, and the Carfax report shows a clean title history. With just under 94,000 miles and averaging approximately 12,600 miles annually, this Ranger delivers strong fuel economy at 20 city/24 highway MPG. The vehicle was owned by a non-smoker and runs and looks great.Visit us today to experience this well-appointed Ranger firsthand and discover why it's the ideal choice for work, weekend adventure, or daily driving.
