Comments

This 2023 Ford F-150 Lightning XLT in Blue delivers a compelling blend of innovation and capability wrapped in a trusted Ford platform. Built as a one-owner vehicle with a clean Carfax and regularly serviced history, this electric SuperCrew has seen minimal use at approximately 29,149 miles and offers EPA-estimated 76 city / 61 highway MPGe—actual mileage may vary. The Medium Dark Slate Cloth interior combines comfort with durability, while the all-wheel-drive electric powertrain provides the torque and capability the F-150 nameplate is known for, delivered silently and sustainably.- Clean Carfax, one owner- Third-party inspection completed- Regularly serviced- Pro Power Onboard (9.6 kW)- Tow Technology Package with Pro Trailer Backup Assist and Trailer Brake Controller- 10-way power driver and passenger seats with heated steering wheel- Retractable tonneau cover and tough bed spray-in bedliner- Forward Sensing System and Intelligent Adaptive Cruise Control 2.0- Navigation system with Connected Built-In functionality- 20" alloy wheels in dark carbonized grayThis F-150 Lightning XLT combines everyday electric efficiency with the professional-grade features and towing technology that makes it ready for work or weekend. With its clean history, professional inspection, and regular maintenance, it's built for a buyer seeking a great first electric truck or a smart addition to any garage. Visit our showroom to experience the power and innovation this Lightning has to offer.
