Comments

2023 Honda Accord Hybrid Sport-L in White—a sedan that delivers both efficiency and refinement for the discerning driver seeking dependable transportation without compromise.- Android Auto and Apple CarPlay- Adaptive Cruise Control with Low-Speed Follow- Lane Keeping Assist System (LKAS)- Heated front bucket seats with leather trim- Power moonroof- 180-Watt audio system with 8 speakers- Automatic dual-zone climate control- Rear window defroster- 19" matte Berlina black alloy wheels- Leather steering wheel and shift knob- Exterior parking camera- Emergency communication system (HondaLink)- Dual front and side impact airbags- Speed-sensing wipers- Auto high-beam headlightsThis Accord Hybrid achieves 46 mpg in the city and 41 mpg on the highway—figures that reflect the vehicle's efficient 2.0L hybrid powertrain paired with a continuously variable transmission. Whether navigating daily commutes or longer drives, this combination delivers consistent performance while reducing fuel consumption and emissions. The front-wheel-drive layout ensures predictable handling in varied driving conditions.The Sport-L trim surrounds you with comfort and connectivity. Heated front bucket seats finished in leather provide warmth during cold months, while the power driver seat with memory function allows personalized positioning. The power moonroof opens the cabin to natural light, and the 180-watt audio system with AM/FM radio and satellite capability ensures quality entertainment throughout your travels. Steering wheel-mounted audio controls keep your focus on the road.Safety technology is woven throughout this sedan. Adaptive Cruise Control with Low-Speed Follow manages traffic flow automatically, while Lane Keeping Assist System (LKAS) helps maintain your position within lane markings. Four-wheel independent suspension combined with electronic stability control, traction control, and four-wheel disc brakes with ABS provide confident braking and cornering. An array of airbags, including dual front, side, knee, and overhead protection, surrounds occupants.Additional conveniences include automatic temperature control with rear window defroster, power door mirrors with integrated side repeaters, telescoping tilt steering wheel, and an exterior parking camera for easier maneuvering. The split folding rear seat expands cargo flexibility, while the trip computer and outside temperature display provide useful vehicle information at a glance.This vehicle has passed our dealer inspection, received a recent oil change, and been fully detailed—preparation that readies it for your ownership. We invite you to visit our showroom and experience this Accord Hybrid firsthand.
