This 2021 Nissan Altima 2.5 S delivers the reliability and practicality you need for daily driving, backed by quality engineering and thoughtful design.- 2.5L 4-Cylinder DOHC 16V Engine with CVT Xtronic- Front-Wheel Drive- 28 City / 39 Highway MPG- Electronic Stability Control and Traction Control- Four-Wheel Independent Suspension- Auto High-Beam Headlights with Delay-Off Feature- Speed-Sensing Steering- Dual Front Impact Airbags and Dual Front Side Impact Airbags- Remote Keyless Entry- Steering Wheel Mounted Audio Controls- Front Bucket Seats with Center Armrest- Split Folding Rear Seat for Flexible Cargo Space- AM/FM Radio with Radio Data System- Air Conditioning- Power Windows, Door Locks, and SteeringThe Altima's four-wheel independent suspension provides a composed ride whether you're navigating city streets or highway stretches. The electronic stability control and traction control systems work together to help maintain control in various driving conditions. Power steering, speed-sensing controls, and a responsive braking system combine to offer confident handling and stopping power. Inside, you'll find practical comfort features designed for everyday use. The cloth seat trim is durable and easy to maintain, while the front bucket seats with center armrest provide support for both driver and passenger. The split-folding rear seat gives you flexibility when you need to carry larger items. Telescoping and tilt steering wheel adjustment allows you to find your ideal driving position. The technology and convenience features keep you connected and informed. Steering wheel mounted audio controls let you manage the AM/FM system without taking your hands off the wheel. Automatic headlights with delay-off functionality add safety and convenience during low-light conditions. The illuminated entry system and outside temperature display enhance usability, while the trip computer helps you monitor your vehicle's performance. Safety has been prioritized throughout this sedan. Multiple airbag systems, including dual front impact, dual front side, knee, and overhead airbags, work alongside the anti-lock braking system and electronic stability control. A security system and panic alarm provide additional peace of mind. This 2021 Altima represents solid value with a proven powertrain, a well-rounded feature set, and the kind of everyday dependability that makes ownership straightforward and satisfying. Visit us to take this sedan for a test drive and see how it fits your driving needs.
