Comments

This 2024 Nissan Altima 2.5 S sedan delivers reliable performance and practical comfort in a stylish silver exterior with charcoal interior. Powered by a 2.5L 4-cylinder DOHC engine paired with CVT transmission, this front-wheel-drive model offers smooth efficiency with EPA-estimated 27 city / 39 highway MPG. Actual mileage may vary. With just over 27,000 miles, this well-maintained example represents an excellent opportunity to own a modern mid-size sedan from a trusted nameplate.- Blind Spot Warning for enhanced safety awareness- Rear Parking Sensors to simplify maneuvering- Electronic Stability Control and traction control for confident handling- Auto High-beam Headlights with delay-off feature- Remote keyless entry and security system- Speed-sensing steering for responsive control- Fully automatic headlights with speed-sensitive wipers- Dual front and side impact airbags plus overhead and knee airbags- Split folding rear seat for flexible cargo versatility- Four-wheel independent suspension with front and rear anti-roll barsThis Altima combines the efficiency of its proven CVT transmission with a comprehensive safety suite including multiple airbags, electronic stability systems, and modern convenience features like steering wheel audio controls and trip computer. The charcoal cloth interior is comfortable and durable, while practical touches such as body-colored splash guards and floor mats add value. Come see this dependable sedan in person and experience the balance of performance, safety, and everyday practicality that makes the Altima a smart choice for drivers seeking quality and reliability.
