Comments

Meet the 2024 Nissan Altima 2.5 SR—a refined sedan that balances everyday practicality with modern comfort. This white sport model delivers an efficient 2.5L 4-cylinder engine paired with Xtronic CVT transmission, achieving 27 city and 37 highway MPG. Recently detailed and serviced with a fresh oil change, this Altima has passed dealer inspection and is ready for the road.

Key Features:

- Android Auto and Apple CarPlay integration
- Blind Spot Warning system
- Auto High-beam Headlights with delay-off function
- Rear Parking Sensors
- 19" Sport Alloy wheels
- Unique Sport Seats with premium trim
- Split folding rear seat
- Electronic Stability Control and Traction Control
- Telescoping and tilt steering wheel
- Dual front airbags plus knee and overhead airbags

This SR model combines safety technology with convenience features designed for today's driver. The responsive sport suspension, four-wheel independent setup, and electronic stability systems provide confident handling. Inside, you'll find a well-appointed cabin with steering wheel-mounted audio controls, illuminated entry, outside temperature display, and SiriusXM-equipped AM/FM audio. The power driver seat adjusts to your preference, while remote keyless entry and a security system add peace of mind. The spacious interior offers front bucket seats with center armrest, rear seat center armrest, and thoughtfully placed storage including driver and passenger door bins. Climate control, rear window defroster, and speed-sensitive wipers ensure year-round comfort. This Altima SR represents smart value in a dependable midsize sedan. Visit us today to take this stylish and efficient model for a test drive.
