Comments

This 2025 Nissan Altima 2.5 SV delivers refined performance and practical value in a sleek white sedan. With its efficient 2.5L 4-cylinder engine paired with CVT transmission, this front-wheel-drive model achieves an impressive 27 city and 39 highway MPG, making it ideal for both daily commutes and long drives. At just over 33,000 miles, this Altima offers plenty of remaining ownership potential and dependable Nissan engineering.

Key Features:

- NissanConnect with Apple CarPlay and Android Auto
- SiriusXM satellite radio and NissanConnect Services
- Blind Spot Warning system
- Rear Parking Sensors
- Automatic High-Beam Headlights with Delay-Off function
- Electronic Stability Control and Traction Control
- Dual front and side impact airbags with knee and overhead airbags
- Power driver seat with telescoping steering wheel
- Remote keyless entry and automatic climate control

The Altima SV comes well-appointed with comfort and convenience features designed for modern drivers. Inside, you'll find cloth seating, steering wheel-mounted audio controls, and an overhead console with trip computer. Safety is prioritized with four-wheel independent suspension, four-wheel disc brakes with ABS, and a comprehensive airbag system. Premium 17-inch machined alloy wheels and body-color bumpers complete the polished exterior.
