Comments

This 2022 Nissan Altima 2.5 SV in white combines refined styling with practical everyday performance, offering you a well-maintained sedan ready for the road ahead.- ProPILOT Assist with steering assist and intelligent cruise control- Heated front seats and heated outside mirrors with LED turn signals- Single panel moonroof for added openness and light- Intelligent Lane Intervention system for enhanced safety- Apple CarPlay and Android Auto integration- Leather steering wheel and leather shift knob- Electronic parking brake with auto-hold feature- SV Premium Package with premium finishers and appointments- Blind spot warning system- Auto high-beam headlights with delay-off functionality- Rear parking sensors- 17-inch machined alloy wheels- SiriusXM satellite radio with AM/FM audio- Four-wheel independent suspension- Split-folding rear seats for flexible cargo spaceUnder the hood, this Altima is powered by a 2.5L 4-cylinder engine paired with Nissan's CVT transmission, delivering 27 city miles per gallon and 37 highway miles per gallon for efficient daily commuting. The front-wheel-drive configuration provides confident handling in various driving conditions while maintaining fuel economy.The SV Premium Package elevates your driving experience with heated front seats that provide comfort during colder months, as well as a power-adjustable lumbar support for the driver's seat. The leather-trimmed steering wheel and shift knob add a touch of sophistication to the cabin, while the single panel moonroof introduces natural light and an airy feel to the interior space.Safety has been prioritized in this model with multiple layers of protection. Intelligent Lane Intervention helps you stay centered in your lane, while the blind spot warning system alerts you to vehicles in adjacent lanes. ProPILOT Assist combines steering assistance with intelligent cruise control that operates at full speed range, including stop-and-go traffic situations. Additional safety features include electronic stability control, four-wheel disc brakes with ABS, and a comprehensive airbag system designed to protect all occupants.The cabin is fully equipped with modern conveniences. NissanConnect technology seamlessly integrates Apple CarPlay and Android Auto, allowing you to access navigation, communication, and entertainment through your smartphone. The six-speaker audio system with SiriusXM satellite radio keeps you entertained during your drive. Climate control, power windows, power door mirrors, and remote keyless entry round out the everyday features that make this vehicle user-friendly.This Altima has been recently serviced with a fresh oil change, professionally detailed, and has passed a thorough dealer inspection. The trunk organizer tray, floor mats, and emergency road kit add immediate practicality to ownership. This sedan represents a balanced choice for drivers seeking reliability, comfort, and modern technology in a well-equipped mid-size package.
