Comments

Meet this sharp 2024 Nissan Altima 2.5 SV in silver—a practical sedan built for commuters who value efficiency and reliability. With a 2.5L 4-cylinder engine delivering 27 city and 39 highway MPG, this front-wheel-drive model balances performance with real-world fuel economy. The CVT transmission keeps things smooth, while the nearly 67,000 miles show this vehicle has been actively driven and maintained.

Key Features:

- NissanConnect with Apple CarPlay integration
- Blind Spot Warning and Rear Parking Sensors
- Dual front impact and side impact airbags with knee and overhead protection
- Rear window defroster and auto high-beam headlights
- Speed control and steering wheel mounted audio controls
- Electronic Stability Control and traction control
- Power driver seat with telescoping and tilt steering wheel
- Four-wheel independent suspension with disc brakes
- Remote keyless entry and security system
- 17" alloy wheels

This Altima combines proven Honda reliability with smart safety tech and modern convenience features. The cabin is well-appointed with cloth seating, dual vanity mirrors, and multiple reading lights for comfort on any trip. Whether you're navigating city streets or highway stretches, you'll appreciate the responsive steering and stable handling this sedan delivers. Visit us today to experience the Altima's balanced blend of efficiency, safety, and everyday practicality firsthand.
