Comments

This 2020 Nissan Frontier PRO-4X delivers capable truck performance with refined comfort and proven reliability for work and adventure.- PRO-4X Utility Package with Trailer Hitch and Sliding Bed Extender- 3.8L V6 engine with 9-speed automatic transmission and 4WD- Rockford Fosgate Premium Audio System with SiriusXM satellite radio- Navigation System with rear parking camera and rear parking sensors- Heated front bucket seats with power adjustment- Power moonroof- 16" off-road design alloy wheels- Front dual zone automatic climate control- Electronic stability and traction control- Steering wheel mounted audio controls- Split folding rear seat for versatile cargo space- Auto-dimming rear-view mirror with compassThe PRO-4X trim represents a thoughtful balance of capability and convenience. The 3.8L V6 produces responsive power when you need it, while the 9-speed automatic transmission manages efficiency across city and highway driving, delivering 17 mpg in the city and 23 mpg on the highway. Four-wheel drive puts you in command of varied terrain and weather conditions, whether navigating challenging terrain or maintaining traction on slippery surfaces.The cab prioritizes your comfort and control. Heated front seats warm you on cold mornings, while the dual-zone automatic climate system keeps passengers comfortable. Power adjustment on both driver and passenger seats lets you dial in the perfect driving position, and the tilt steering wheel accommodates drivers of all sizes. The Rockford Fosgate premium audio system with SiriusXM satellite radio ensures your commute or road trip stays entertaining throughout the day.The PRO-4X Utility Package enhances your truck's functionality with a trailer hitch for towing and a sliding bed extender that expands cargo versatility without permanent modification. The power moonroof adds an open-air dimension to the cabin experience, while the split folding rear seat transforms the interior based on what you're hauling. Navigation integration with rear parking cameras and sensors makes maneuvering easier and safer in tight spaces.Safety systems work continuously to protect you and your passengers. Dual front and side airbags, anti-whiplash front head restraints, and an occupant sensing system provide comprehensive coverage. Electronic stability control, traction control, and ABS brakes work together to maintain grip and control, while low tire pressure warning keeps you informed. The front anti-roll bar and independent front suspension contribute to stable handling characteristics.This Frontier PRO-4X represents honest truck value with the features that matter for your daily life and weekend pursuits. Contact us to schedule a test drive and experience its capability firsthand.
