Discover the efficiency and capability of this 2023 Volkswagen ID.4 Pro S, a sophisticated electric vehicle that combines intelligent engineering with everyday practicality.- Auto-dimming rear-view mirror- Navigation system with 12" touchscreen display- All-wheel drive with single-speed automatic transmission- Heated front seats with perforated leatherette surfaces- Heated steering wheel- Front dual-zone automatic climate control- Power liftgate- Exterior parking camera with rear view- Four-wheel independent suspension- Auto high-beam headlights with delay-off feature- Emergency communication system: VW Car-Net Safe & Secure 5-year- Alloy wheels: 20" 5-spoke 2-tone machined design- Steering wheel mounted audio controls- Split folding rear seats- Remote keyless entryThis black ID.4 delivers an impressive 104 MPGe in the city and 93 MPGe on the highway, making it an economical choice for daily commuting and longer journeys alike. The all-wheel drive system provides confident handling in various weather conditions, while the single-speed automatic transmission offers smooth, responsive acceleration with minimal maintenance concerns. Inside, you'll find a driver-focused cabin designed for comfort and convenience. The heated front seats and heated steering wheel create a welcoming environment during colder months, while the dual-zone automatic climate control ensures all passengers remain comfortable. The memory seats simplify your daily routine by recalling preferred positions, and the power driver and passenger seats allow effortless adjustments. Technology is seamlessly integrated throughout the cabin. The Discover Pro Max infotainment system features a 12-inch touchscreen with integrated navigation, keeping you connected and informed. Seven speakers deliver quality audio, and steering wheel-mounted controls let you manage functions without taking your hands off the wheel. The auto-dimming rear-view mirror reduces glare during night driving, enhancing visibility and safety. Safety and security are prioritized in this vehicle's design. The comprehensive airbag system includes dual front impact, dual front side impact, and overhead airbags for multi-directional protection. Electronic stability control, traction control, and brake assist work together to maintain vehicle stability, while the exterior parking camera assists with maneuvering in tight spaces. The five-year VW Car-Net Safe & Secure emergency communication system provides added peace of mind. This ID.4 Pro S has passed our comprehensive dealer inspection and has been recently detailed and maintained, ensuring it arrives ready for your ownership. The combination of electric efficiency, practical features, and quality construction makes this a vehicle worth serious consideration.
