Comments

This 2024 Volkswagen Atlas 2.0T SE w/Technology is a three-row family vehicle designed to accommodate your lifestyle with practicality and comfort. With seating for up to seven passengers and a spacious cargo area, this gray Atlas delivers the versatility you need for everyday driving and weekend adventures.- 6 Speakers with SiriusXM 360L satellite radio and MIB3 Composition Media- Front dual zone automatic temperature control with rear air conditioning- Heated and ventilated front bucket seats with heated steering wheel- Power liftgate for easy trunk access- Exterior parking camera with rear view display- Four-wheel independent suspension with electronic stability control- Fully automatic headlights with front fog lights- 20-inch two-tone machined alloy wheels- Auto-dimming rear-view mirror with compass- Rain-sensing wipers with rear window wiper- VW Car-Net Safe & Secure emergency communication system- Split-folding third-row seats for flexible cargo configuration- Perforated V-Tex leatherette seating surfaces- Rear seat center armrest for added comfort- Dual front and side impact airbags with overhead airbagsThe 2.0L TSI engine paired with an eight-speed automatic transmission provides capable performance while delivering 20 miles per gallon in the city and 27 on the highway. Front-wheel drive ensures confident handling in various driving conditions, and the four-wheel independent suspension contributes to a smooth ride even when fully loaded with passengers and cargo. Inside, you'll find comfort-focused amenities including automatic climate control with separate zones, power adjustable driver seat, and telescoping steering wheel that allows you to find your ideal driving position. The remote keyless entry and power windows add convenience to your daily routine, while the steering wheel-mounted audio controls keep your focus on the road. Safety remains a priority with standard features including brake assist, traction control, and a comprehensive airbag system. The rear parking camera provides visibility when backing up, and electronic stability control helps maintain traction during challenging driving situations. The Atlas Technology package brings connectivity and convenience to your driving experience. The MIB3 infotainment system keeps you connected, and features like the speed-sensing steering adjust to your driving conditions for responsive, predictable handling. With its combination of passenger capacity, available technology, and practical comfort features, this Atlas serves as a reliable choice for families and those requiring a capable three-row vehicle. We invite you to visit our showroom to see this Atlas in person and experience the space and capability it offers.
