Built on a solid foundation with a 3.6L V6 engine paired to a 9-speed automatic transmission, this minivan balances responsive performance with efficiency, achieving 19 city and 28 highway mpg. The front-wheel drive configuration ensures confident handling and stability across varying road conditions. Inside, you'll find a thoughtfully designed cabin that prioritizes both comfort and convenience. The Caprice Leatherette bucket seats with heated functionality keep passengers comfortable throughout the year, while the power driver seat with memory position allows each driver to quickly customize their ideal settings. The heated steering wheel provides additional comfort during colder months, and automatic dual-zone climate control ensures all passengers maintain their preferred temperature. Technology integration keeps you connected and informed. The Uconnect 5 system features a 10.1-inch touchscreen display with Apple CarPlay and Android Auto compatibility, allowing seamless smartphone integration. The SiriusXM-enabled AM/FM radio with integrated active noise cancellation delivers clear audio, while steering wheel-mounted controls let you adjust settings without taking your hands off the wheel. Safety and visibility are paramount in this minivan's design. The ParkView rear back-up camera provides clear sightline assistance when reversing, while the power liftgate simplifies cargo loading. Triple-zone air conditioning—front dual zone, rear, and independent control—ensures comfort throughout the cabin. Additional conveniences include the power-adjustable door mirrors, rain-sensing wipers, and fully automatic headlights that adapt to driving conditions. The Touring L trim reflects Chrysler's commitment to value, offering a well-appointed package of standard features combined with practical utility. The split-folding rear seat and reclining third-row seating accommodate various cargo and passenger configurations, while the four-wheel independent suspension with Touring tuning provides a balanced ride. Alloy wheels, body-color bumpers, and turn signal indicator mirrors complete the polished exterior presentation.
