Every aspect has been carefully reviewed to confirm its readiness for the road ahead, and it recently received an oil change as part of our commitment to presenting you with a vehicle in excellent condition.With seating for up to seven passengers, this minivan provides flexible interior configurations to suit your needs. The split-folding rear seats and reclining third-row option make it easy to balance passenger comfort with cargo space. Whether you're transporting a full family or need room for luggage and equipment, the Voyager adapts to your requirements.Safety is integral to every journey. This model includes dual front airbags, side-impact protection, knee airbags, and overhead airbags positioned throughout the cabin. Four-wheel disc brakes with ABS, electronic stability control, and traction control work together to help you maintain confidence on any road condition. The ParkView backup camera gives you enhanced visibility when maneuvering in tight spaces.The 3.6L V6 engine paired with a 9-speed automatic transmission strikes a practical balance between power and efficiency. Front-wheel drive ensures responsive handling, while the touring suspension contributes to a composed ride quality. Climate management is comprehensive, with automatic temperature control, rear air conditioning, and heated seats to keep passengers comfortable regardless of the season.We invite you to visit our showroom to experience this Voyager firsthand and see how well it fits into your family's routine.
