The 2.4L SIDI engine provides dependable performance, while the six-speed automatic transmission ensures smooth gear transitions across varying road conditions. Forward-wheel drive adds to the vehicle's practicality, offering good traction and responsive handling characteristics. Inside, you'll find a thoughtfully designed cabin with premium cloth seating, front bucket seats, and a split folding rear seat that gives you flexibility for passengers and cargo. The power driver seat allows for personalized comfort, while the color touch stereo with SiriusXM satellite radio keeps you entertained throughout your journey. Steering wheel-mounted audio controls let you adjust your settings without taking your eyes off the road, and Bluetooth connectivity keeps your phone safely integrated with the vehicle's systems. From a safety standpoint, this Terrain includes dual front impact airbags, dual front side impact airbags, and overhead airbags for comprehensive protection. The four-wheel independent suspension works with electronic stability control and traction control to help maintain secure handling in various driving situations. A rearview parking camera gives you added visibility when backing up, and the low tire pressure warning system keeps you informed about your vehicle's condition. The exterior presents a clean white finish with body-color bumpers and an integrated spoiler. Heated power mirrors adjust to your preference, while the fully automatic headlights come on as needed to improve visibility. The 18-inch aluminum wheels are mounted with variably intermittent wipers that adjust to weather conditions. This Terrain is ready for the road and equipped to meet the needs of drivers looking for a capable and practical SUV.
