Comments

This 2024 Jeep Compass Latitude delivers the capability and comfort you need for daily driving and weekend adventures.- Uconnect 5 with 10.1" touchscreen display- ParkView rear back-up camera- 4WD with 3.73 final drive ratio- Auto high-beam headlights with delay-off feature- Front fog lights- Heated power door mirrors- Leather steering wheel and shift knob- Premium cloth and vinyl bucket seats with front center armrest- Split folding rear seat for flexible cargo space- SiriusXM AM/FM radio with 6 speakers- Steering wheel mounted audio controls- Electronic stability control and traction control- 4-wheel disc brakes with brake assist- Dual front and side impact airbags plus overhead airbag- 17" aluminum wheelsDesigned to handle various road conditions, this Compass features 4WD capability that enhances traction in different weather situations. The responsive 2.0L four-cylinder engine combines with an 8-speed automatic transmission to deliver a balanced driving experience, with an EPA rating of 24 mpg city and 32 mpg highway.The interior prioritizes both driver comfort and modern convenience. The leather-trimmed steering wheel and shift knob add a touch of refinement, while the Uconnect 5 system keeps you connected with its intuitive 10.1" display. Climate control, cruise control, and multiple storage compartments make every drive more enjoyable.Safety features are comprehensive, including electronic stability control, traction control, four-wheel independent suspension, and an array of airbags strategically positioned throughout the cabin. The ParkView rear backup camera simplifies parking and reversing with clear visibility. Jeep Connect emergency communication system provides additional peace of mind.The white exterior is complemented by body-color bumpers and a spoiler for a cohesive appearance. Automatic headlights with delay-off functionality and front fog lights enhance visibility in various lighting conditions. The rear window wiper and variably intermittent front wipers help maintain clear sightlines.This Compass Latitude is positioned as a reliable choice for those seeking a well-equipped compact SUV. Its combination of practical features, safety systems, and all-wheel-drive capability makes it suited for a wide range of driving needs. We invite you to visit our showroom to experience this vehicle firsthand.
