Comments

This 2023 Ram ProMaster 2500 High Roof is a versatile commercial vehicle built to handle the demands of professional work and daily operations with dependable performance and practical design.- Cargo Partition- 70 MPH Maximum Speed- Speed Control- Full Size Spare Tire- Uconnect 5 with 7" Display- Apple CarPlay/Android Auto Compatibility- ParkView Rear Back-Up Camera- Heavy Duty Suspension- Electronic Stability Control- Traction Control- Power Steering- Remote Keyless Entry- Air Conditioning- Telescoping Steering Wheel- Front Bucket Seats with Driver Seat ArmrestThe ProMaster 2500 High Roof configuration provides substantial cargo space with overhead clearance to accommodate various loads and equipment. The cargo partition helps organize and secure materials during transport. With a 3.6L V6 engine paired with a 9-speed automatic transmission, this van delivers the capability you need for productive workdays.Interior comfort features include front bucket seats with driver seat armrest, cloth upholstery, and an illuminated entry system for convenient access. The Uconnect 5 infotainment system with a 7-inch display integrates Apple CarPlay and Android Auto, keeping you connected while on the road. Steering wheel-mounted audio controls and SiriusXM radio access bring entertainment options within reach.Safety and control systems include electronic stability control, traction control, 4-wheel disc brakes with ABS, and brake assist technology to help you maintain confidence in various driving conditions. The ParkView rear back-up camera aids visibility when maneuvering in tight spaces. Heavy-duty suspension provides a solid, reliable foundation for commercial use.Practical features support daily operation: power windows, telescoping steering wheel, trip computer, outside temperature display, and variably intermittent wipers adjust to changing weather. A full-size spare tire, 70 mph maximum speed limiter, and speed control support safe, controlled driving. Bodyside moldings and turn signal indicator mirrors enhance visibility and durability.Contact our dealership to schedule a test drive and see how this ProMaster 2500 High Roof can support your business and professional needs.
