Comments

This stunning 2023 Ford Mustang Mach-E Select delivers impressive electric performance wrapped in eye-catching Rapid Red Metallic. With just over 30,000 miles, this one-owner vehicle has been meticulously maintained and shows like new. A third-party inspection confirms its excellent condition, and the clean Carfax history gives you complete peace of mind.

Key Features:- Front dual zone automatic climate control- SYNC 4A with Enhanced Voice Recognition and Connected Navigation- Apple CarPlay and Android Auto integration- 18" Carbonized Gray-Painted Aluminum wheels- Four-wheel independent suspension with speed-sensing steering- Electronic Stability Control and traction control- Exterior parking camera with rear view- Brake assist system- Remote keyless entry with garage door transmitter- Split folding rear seat for versatile cargo space

This electric Mach-E delivers an impressive 110 MPGe city and 96 MPGe highway, offering excellent efficiency without compromising driving enjoyment. The responsive single-speed automatic transmission and rear-wheel drive provide smooth acceleration and confident handling. Inside, ActiveX bucket seats with front center armrest and a telescoping, tilt steering wheel create a driver-focused cabin. The comprehensive safety suite includes dual front impact airbags, dual front side airbags, knee airbags, and overhead airbags, plus emergency 911 Assist communication.

This non-smoker vehicle looks and runs great—don't miss out on this exceptional electric performance machine. Schedule your test drive today and experience the future of driving.
