Comments

This 2023 Ford Mustang Mach-E Select delivers impressive electric efficiency with an EPA-estimated 110 MPGe city and 96 MPGe highway. Finished in White with low mileage at 48,928 miles, this one-owner vehicle represents an excellent opportunity to experience modern electric performance with the confidence of a third-party inspection and clean Carfax history.

Key Features:

- Apple CarPlay/Android Auto integration
- Connected Navigation system
- Automatic temperature control with front dual zone A/C
- Exterior parking camera rear
- 18" Carbonized Gray-Painted Aluminum wheels
- Four-wheel independent suspension with speed-sensing steering
- Electronic Stability Control and traction control with brake assist
- SYNC 4A with Enhanced Voice Recognition
- Interior Protection Package pre-installed
- Equipment Group 100A

This Mach-E Select comes equipped with modern convenience and safety technology designed for daily driving confidence. The responsive single-speed automatic transmission and rear-wheel drive deliver smooth acceleration, while comprehensive airbag protection, ABS brakes, and electronic stability systems work together to keep you secure. Heated door mirrors, auto high-beam headlights, and rain-sensing wipers enhance your driving experience in various weather conditions.

Ready to experience this electric Mustang firsthand? Visit us today to see how the Mach-E Select combines style, efficiency, and technology into one compelling package.
