Comments

This 2023 Ford Mustang Mach-E California Route 1 represents an excellent opportunity to own a modern electric vehicle that combines performance with practical everyday functionality.- Dual Electric Motor with AWD- 105 MPGe city / 91 MPGe highway- SiriusXM Radio with 360L- SYNC 4A with Enhanced Voice Recognition- Apple CarPlay and Android Auto- Navigation System: Connected Navigation- Automatic Temperature Control with Front Dual Zone A/C- Electronic Stability Control and Traction Control- Four Wheel Independent Suspension- Auto High-beam Headlights with Delay-off Feature- 18" High Gloss Black Aluminum Wheels- Heated Front Seats and Heated Steering Wheel- Exterior Parking Camera Rear- Auto-dimming Rear-View Mirror- Speed-Sensing SteeringThis white exterior presents a clean, contemporary appearance that stands out on the road. The dual electric motor configuration with all-wheel drive delivers responsive handling and confident traction in various driving conditions. The California Route 1 trim provides a well-equipped package that balances capability with comfort.The interior accommodates five passengers with heated front bucket seats and a split folding rear seat for flexible cargo arrangements. Climate control includes automatic temperature management with separate front zone controls and a rear window defroster. The heated steering wheel adds another layer of comfort during cooler weather driving.Technology integration centers on the SYNC 4A infotainment system with enhanced voice recognition capabilities. Apple CarPlay and Android Auto compatibility ensures your smartphone integrates seamlessly into the driving experience. The connected navigation system provides real-time route guidance, while SiriusXM 360L radio offers extensive entertainment options throughout your travels.Safety features include dual front impact airbags, dual front side impact airbags, knee airbags, and overhead airbags positioned throughout the cabin. The vehicle is equipped with four-wheel disc brakes with ABS, electronic stability control, and traction control to assist in maintaining vehicle stability. Emergency communication through 911 Assist provides additional security.This vehicle has been through a third-party inspection with all services completed and up to date. With Carfax one-owner history and a non-smoker profile, it presents as a well-maintained example. The 51,565 miles reflect careful ownership and regular maintenance attention.We invite you to visit our showroom to examine this Mustang Mach-E in person and take it for a test drive to experience the electric driving dynamics firsthand.
