Comments

This 2023 Ford Mustang Mach-E Premium delivers impressive electric performance wrapped in striking black exterior styling. With 105 city MPGe and 92 highway MPGe, this single-motor extended-range vehicle combines efficiency with everyday practicality. A third-party inspection confirms this clean Carfax one-owner vehicle looks and runs great, having been regularly serviced throughout its ownership.

Key Features:- Single Electric Motor with Extended Range- Power Liftgate- Apple CarPlay/Android Auto- SYNC 4A with Enhanced Voice Recognition- Connected Navigation System- 19" Hi-Gloss Black Painted Wheels- Mustang Nite Pony Package- Heated Perforated ActiveX Bucket Seats- Exterior Parking Camera Rear- Electronic Stability Control & Traction Control

The cabin showcases thoughtful comfort appointments including heated front seats, heated steering wheel, and a power driver seat with memory positioning. The Mustang Nite Pony Package adds distinctive styling, while the pre-installed Interior Protection Package helps keep this vehicle looking fresh. Connectivity features like SYNC 4A with enhanced voice recognition and integrated navigation keep you informed on every drive.

At just over 26,000 miles, this Mach-E Premium represents exceptional value for buyers seeking electric reliability and modern technology. Schedule your test drive today and experience this outstanding electric machine firsthand.
