Comments

This 2023 Ford Mustang Mach-E Premium represents an excellent opportunity to own a well-maintained electric vehicle that combines style, efficiency, and reliability.- Single Electric Motor with Extended Range- Mustang Nite Pony Package with Black Painted Accents- 19" Hi-Gloss Black Painted Wheels- Power Liftgate- SYNC 4A with Enhanced Voice Recognition- Connected Navigation System- Apple CarPlay and Android Auto Integration- Heated Perforated ActiveX Bucket Seats- Heated Steering Wheel- Front Dual Zone Automatic Climate Control- Exterior Parking Camera- SiriusXM Radio with 360L- Four Wheel Independent Suspension- Interior Protection Package with Floor and Cargo Liners- Electronic Stability Control with Traction ControlThis Mach-E has been regularly serviced and thoroughly inspected by a third party, with a clean Carfax report confirming its one-owner history. The black exterior finish presents a sleek, modern appearance that stands out on any road. With approximately 26,419 miles, this vehicle has been well cared for and offers many years of dependable service ahead.The electric powertrain delivers impressive efficiency, achieving 105 MPGe in the city and 92 MPGe on the highway. The single electric motor with extended range provides dependable performance for daily commuting and longer journeys. The rear-wheel-drive configuration contributes to balanced handling and responsive driving dynamics. Inside, the Premium cabin prioritizes comfort and connectivity. Heated front bucket seats with perforated ActiveX material keep occupants comfortable during cold weather driving. The heated steering wheel adds an extra layer of convenience. The automatic dual-zone climate control system ensures both driver and passenger can set their preferred temperatures independently. Technology features enhance both convenience and safety. SYNC 4A with enhanced voice recognition allows intuitive control of vehicle functions. The connected navigation system integrates seamlessly with Apple CarPlay and Android Auto, providing access to your preferred navigation and entertainment apps. SiriusXM Radio with 360L keeps you entertained throughout your journey. The Mustang Nite Pony Package distinguishes this vehicle with black painted center wheel caps and a bright pony graphic, along with the Mach-E X badge featuring a painted black outline. The grille pony with painted black outline completes the distinctive styling that makes this Mach-E instantly recognizable. This 2023 Mustang Mach-E Premium looks and runs great, making it an excellent choice for your next vehicle. We invite you to visit our showroom to experience this well-maintained electric vehicle firsthand.
