Comments

The 2025 BMW 330i offers refined performance and advanced technology in a package designed for drivers who value both capability and sophistication.- Remote Engine Start- Lane Departure Warning System- Comfort Access Keyless Entry- Heated Steering Wheel- Active Driving Assistant- Active Blind Spot Detection- Frontal Collision Warning with Brake Intervention- Active Cruise Control- Park Distance Control- Navigation System- Apple CarPlay and Android Auto Compatibility- Power Moonroof- Heated Front Seats- SiriusXM Satellite Radio with 1 Year Subscription- Automatic Temperature Control with Dual Front ZonesThis 330i combines a 2.0L turbocharged four-cylinder engine with an eight-speed automatic transmission, delivering an efficient balance of power and fuel economy at 28 city and 35 highway miles per gallon. The responsive rear-wheel-drive configuration provides confident handling, while the sport-tuned suspension ensures a composed ride on both city streets and open highways.Inside, you'll find a thoughtfully designed cabin with sport seats upholstered in perforated Sensatec, a leather-wrapped steering wheel, and genuine wood trim accents that create an upscale atmosphere. The automatic temperature control system maintains your preferred cabin climate, while heated front seats provide comfort during cold weather drives. Wireless device charging and a widescreen display keep your technology seamlessly integrated.The Driving Assistance Package enhances your capability with active cruise control that automatically adjusts speed in stop-and-go traffic, while the Convenience Package adds essential features like lane departure warning and frontal collision warning with automatic brake intervention. Remote engine start lets you warm up your vehicle before stepping outside, and the power moonroof brings natural light and openness to the cabin.Safety is paramount, with features including dual front impact airbags, side impact airbags, knee airbags, and overhead airbags positioned throughout the cabin. Park distance control provides visual and audible guidance during parking, while the rear-view camera offers additional visibility when backing up.The Connected Package Pro integrates seamlessly with Apple CarPlay and Android Auto, keeping you connected during every drive. AM/FM radio with SiriusXM satellite radio and a ten-speaker audio system provide quality entertainment, while the navigation system ensures you arrive at your destination with confidence.This is a vehicle built for the driver who demands quality, technology, and reliability. We welcome you to schedule a test drive and experience the 330i firsthand.
