Visit Mossy Nissan-INFINITI Escondido at 1546 Auto Park Way, Escondido, CA 92029. Call 760-746-5050 to confirm availability and schedule your test drive today.- 2.0L I4 DOHC engine with CVT transmission- NissanConnect featuring Apple CarPlay and Android Auto- Blind Spot Warning- Auto High-beam Headlights- Rear Parking Sensors- Electronic Stability Control and Traction Control- Dual front impact airbags with front side impact airbags- Remote keyless entry- Power windows and power door mirrors- Air Conditioning with rear window defroster- Steering wheel mounted audio controls- Split folding rear seat- Telescoping and tilt steering wheel- Carpeted Floor Mats w/Trunk MatThis 2024 Nissan Sentra S delivers practical transportation with efficiency at its core. The 2.0L four-cylinder engine paired with Xtronic CVT transmission and front-wheel drive achieves 30 city and 40 highway mpg, helping you maximize every fill-up. The gray exterior presents a neutral, professional appearance that complements any lifestyle. Inside, the Sentra S prioritizes comfort and functionality for daily driving. Cloth seating with front bucket seats and a center armrest creates a welcoming cabin, while the split folding rear seat provides flexibility for cargo or passengers. Telescoping and tilt steering adjustment ensures drivers of various sizes find their ideal position. Climate control keeps the cabin comfortable year-round, and the rear window defroster improves visibility in adverse weather. Technology integration makes this sedan connected and convenient. NissanConnect brings Apple CarPlay and Android Auto compatibility to the AM/FM radio with RDS and MP3 capability, letting you access your preferred navigation, music, and communication apps seamlessly. Steering wheel mounted audio controls keep your focus on the road while managing entertainment. Safety is engineered throughout this Sentra. A comprehensive airbag system includes dual front impact, front side impact, knee airbag, and rear side impact coverage. Electronic Stability Control and Traction Control work to maintain stability in challenging conditions, while Blind Spot Warning alerts you to vehicles in your peripheral view. Rear Parking Sensors assist when backing into tight spaces, and Brake Assist enhances stopping capability during emergency situations. Driving dynamics balance responsiveness with refinement. Four-wheel independent suspension absorbs road imperfections while speed-sensing steering adjusts responsiveness based on vehicle speed. Front and rear anti-roll bars minimize body roll during cornering. Power steering eases maneuvering in parking situations, and fully automatic headlights adapt to changing light conditions throughout your journey. The Sentra S comes equipped with 16-inch steel wheels with full wheel covers, variably intermittent wipers that respond to precipitation, and an exterior finished with body-color bumpers. Inside, you'll find practical details like driver and passenger vanity mirrors, front reading lights with illuminated entry, and an overhead console for convenient storage. This 2024 Nissan Sentra S represents solid, unpretentious motoring. Whether navigating your daily commute or taking weekend trips, this sedan combines reliability, efficiency, and modern connectivity. Visit our showroom to see this vehicle in person and experience how it fits your driving needs.
