Comments

This 2024 Nissan Versa 1.6 S delivers practical efficiency in a dependable compact sedan. With just 13,415 miles, this gray beauty combines affordability with solid reliability. The responsive 1.6L four-cylinder engine paired with CVT transmission offers smooth operation, while the 32 city and 40 highway MPG ratings help keep fuel costs manageable for daily commuting and longer drives. Key Features:- AM/FM audio system with steering wheel controls- Air conditioning and rear window defroster- Electronic stability control and traction control- Auto high-beam fully automatic headlights- Rear parking sensors for added safety- Front and side airbags with knee and overhead protection- Power steering, windows, and mirrors- Telescoping tilt steering wheel- Carpeted floor mats and splash guards This Versa is well-equipped with modern safety technology including dual front impact airbags, dual front side impact airbags, and electronic stability control. The cabin features power accessories, climate control, and convenient touches like illuminated entry and outside temperature display. With body-color bumpers, 15-inch steel wheels with full covers, and a trunk package for added storage organization, this vehicle presents solid everyday value. Visit us today to experience this efficient and reliable Versa for yourself. We're confident you'll appreciate its combination of practicality and affordability.
