Comments

This 2023 Nissan Versa 1.6 SV offers practical efficiency and everyday reliability in a compact sedan. With a 1.6L 4-cylinder engine delivering 32 city and 40 highway mpg, this front-wheel-drive vehicle balances fuel economy with accessible performance. The gray exterior is accented with modern styling touches, and with approximately 40,000 miles, this Versa remains well within the range for a relatively new model year.

Key Features:

- Electronics Package and Lighting Package for enhanced functionality
- Apple CarPlay and Android Auto smartphone integration
- Blind Spot Warning and Rear Parking Sensors for safety awareness
- Automatic High-Beam Headlights with Fully Automatic operation
- Remote Keyless Entry and Steering Wheel Mounted Audio Controls
- Electronic Stability Control and Traction Control
- USB Charging Cable Set and 16" Alloy Wheels
- Dual Front Impact and Front Side Impact Airbags
- Heated Door Mirrors and Split Folding Rear Seat

This Versa combines fuel-efficient driving with practical safety features and modern convenience technology. The complete suite of automatic headlights, parking sensors, and blind spot warning systems provide confidence during daily commutes. Inside, the upgraded cloth seat trim and available smartphone integration make every drive more connected and comfortable. Ready to find your next reliable daily driver? Visit us to experience this efficient Nissan Versa and see how it fits your lifestyle.
