Comments

Meet this 2024 Volkswagen Tiguan 2.0T Wolfsburg Edition, a one-owner crossover finished in gray with just over 42,000 miles. This AWD-equipped model combines practical family utility with refined German engineering, powered by a 2.0L TSI engine paired with an 8-speed automatic transmission. Having completed a thorough 128-point safety inspection, this Tiguan is ready for its next owner.Key Features:- One Owner Vehicle- 128 Point Safety Inspection Completed- AWD with 2.0L TSI Engine- 8-Speed Automatic Transmission- 18" 2-Tone Machined Alloy Wheels- Power Liftgate- SiriusXM with 360L- Heated Front Seats- V-Tex Leatherette Seating Surfaces- Exterior Parking Camera RearThe Tiguan delivers thoughtful features throughout. Inside, you'll find heated front seats, a power-adjustable driver seat, and V-Tex leatherette surfaces that balance comfort with durability. Climate control, remote keyless entry, and a telescoping steering wheel make daily driving convenient. The rear camera provides visibility when backing up, while electronic stability control and traction management work together to enhance safety. All-wheel drive gives confidence in varied weather conditions.Premium audio comes courtesy of the MIB3 Composition Media system with six speakers and SiriusXM connectivity. The power liftgate makes loading cargo effortless, and the split-folding rear seat adapts to your cargo needs. A rear window defroster, heated door mirrors, rain-sensing wipers, and auto-dimming rear-view mirror round out practical amenities.This well-maintained Tiguan represents excellent value in the compact crossover segment. Visit our showroom to experience its blend of capability, comfort, and reliability firsthand.
