The responsive 7-speed DSG automatic transmission provides smooth gear changes, whether navigating city streets or cruising highways. Four-wheel independent suspension and speed-sensing steering work together to provide confident handling and control in various driving conditions. Inside, the Autobahn trim emphasizes comfort and technology. Perforated Vienna leather seating surfaces wrap heated and ventilated front seats, keeping occupants comfortable through temperature extremes. The power driver seat with memory function allows personalized positioning. The heated steering wheel and dual-zone climate control demonstrate thoughtful attention to driver and passenger comfort. Entertainment and connectivity come standard through the MIB3 system with its 8-inch touchscreen display. SiriusXM 360L satellite radio, nine speakers, and steering wheel audio controls keep you connected and entertained on every drive. The auto-dimming rearview mirror integrates HomeLink Connect for convenient garage door operation and HomeLink functionality. Safety features provide comprehensive protection, including dual front and side impact airbags, four-wheel disc brakes with ABS, electronic stability and traction control, and low tire pressure warning. The active blind spot monitor and exterior parking camera enhance visibility and maneuverability. VW Car-Net Safe & Secure provides emergency communication support for added peace of mind. Practical touches throughout enhance everyday usefulness. The power moonroof brings natural light and open-air feeling to the cabin. Rain-sensing wipers automatically adjust to weather conditions. The trunk lid lip spoiler enhances aerodynamics while adding visual interest. Interior storage includes front center armrest organizing trays, reading lights, and overhead console, keeping essentials accessible and organized.
