Comments

Discover the 2026 Toyota Camry LE, a practical sedan that delivers exceptional efficiency and reliable performance for your daily commute and beyond.- Android Auto and Apple CarPlay integration- 8" Toyota Audio Multimedia touchscreen with SiriusXM- Front dual zone automatic temperature control- Heated front seats- Rear bumper applique and door edge guard protection- All weather floor protection- Exterior parking camera- Electronic Stability Control and traction control- 16" alloy wheels- Speed-sensing power steering- Telescoping and tilt steering wheel- Remote keyless entry- Split folding rear seat- Toyota Safety Connect (5-year trial)This Camry LE arrives at our dealership in striking black with just 11,171 miles, having recently passed our comprehensive dealer inspection. We've completed a fresh oil change and detailed the vehicle inside and out, ensuring it's ready for your ownership. The eCVT transmission pairs seamlessly with the efficient 2.5L four-cylinder engine to deliver an impressive 53 mpg in the city and 50 mpg on the highway—exceptional fuel economy that keeps more money in your pocket.The cabin features front bucket seats with heated functionality, providing comfort during colder months. Dual front zone climate control lets you and your passenger maintain individual temperature preferences, while the rear window defroster enhances visibility in adverse conditions. The split folding rear seat offers flexibility for cargo or passengers, adapting to your needs throughout your day.Modern connectivity is seamlessly integrated through the 8-inch multimedia system, which supports both Apple CarPlay and Android Auto. You'll enjoy AM/FM radio with SiriusXM satellite capabilities and steering wheel-mounted audio controls, allowing you to manage your entertainment without taking your hands off the road. The system also displays real-time information like outside temperature and trip data on the convenient overhead display.Safety is built into every aspect of this Camry. Multiple airbags, including dual front impact, dual front side impact, knee, and overhead airbags, provide comprehensive protection. Four-wheel disc brakes with ABS, electronic stability control, and traction control work together to help you maintain command in various driving conditions. The speed-sensing steering adapts to your velocity, and the rear parking camera gives you confidence when reversing. Toyota's Safety Connect emergency communication system comes with a five-year trial subscription.This 2026 Camry LE represents smart, sensible transportation that won't compromise on comfort, technology, or value. We invite you to visit our showroom and experience this vehicle firsthand.
