Comments

The 2025 Toyota Camry LE offers a refined combination of efficiency, reliability, and comfort for drivers who value both performance and practicality.- Android Auto and Apple CarPlay connectivity- 8-inch Toyota Audio Multimedia touchscreen with 6 speakers- SiriusXM AM/FM radio with radio data system- Front dual zone automatic temperature control- Fully automatic headlights with delay-off function- Heated power door mirrors with turn signal indicators- Exterior parking camera with rear view- Speed-sensing power steering- Electronic Stability Control and traction control- Four-wheel independent suspension- 4-wheel disc brakes with ABS- Dual front and side airbags plus knee and overhead airbags- Remote keyless entry with security system- Split folding rear seats with center armrestThis Camry combines practicality with fuel efficiency, delivering 53 MPG in the city and 50 MPG on the highway. The 2.5L 4-cylinder engine paired with an eCVT transmission provides smooth acceleration while maintaining excellent economy. Front-wheel drive ensures confident handling in various weather conditions, and the four-wheel independent suspension delivers a composed ride over different road surfaces.The cabin reflects Toyota's commitment to comfort and convenience. Front bucket seats with fabric trim provide support for daily commutes, while the split folding rear seats offer flexibility for passengers and cargo. The telescoping and tilt steering wheel allows you to find your ideal driving position. Climate control zones keep front passengers comfortable independently, and the rear window defroster enhances visibility in poor weather.Safety is prioritized throughout the design. The vehicle features a comprehensive airbag system including dual front impact, dual front side, knee, and overhead airbags. Electronic Stability Control and traction control work together to maintain grip, while brake assist technology enhances stopping power in emergency situations. The low tire pressure warning system helps you maintain optimal tire condition and fuel efficiency.Modern connectivity keeps you informed and entertained. The touchscreen interface integrates Apple CarPlay and Android Auto for seamless smartphone integration. Steering wheel-mounted audio controls allow you to manage music and calls without taking your hands off the wheel. The trip computer displays real-time information about your vehicle's performance and fuel consumption.This Camry has recently undergone a comprehensive dealer inspection, received a detailed wash, and had an oil change completed. With 48,986 miles on the odometer, this vehicle is ready to deliver many more years of dependable service. Visit our showroom today to drive the 2025 Camry LE and discover why so many drivers trust this model for their transportation needs.
