Comments

This 2023 Lexus ES 300h sedan delivers sophistication and efficiency in one refined package. With its 2.5L hybrid engine paired with an eCVT transmission, this front-wheel-drive vehicle achieves EPA-estimated 43 city / 44 highway MPG. Actual mileage may vary. The striking white exterior contrasts beautifully with the premium Macadamia and Bamboo interior, creating a welcoming cabin that feels both elegant and inviting. At 45,870 miles, this ES has been meticulously maintained and represents exceptional value in the luxury hybrid segment.- Heated and ventilated seats with perforated NuLuxe trim- Power moonroof with automatic operation- Lexus Interface with 8-inch multimedia touchscreen and navigation- Wireless Apple CarPlay and Android Auto connectivity- Power-folding mirrors with memory settings and electrochromic rear-view- Heated leather 3-spoke steering wheel with power tilt and telescoping adjustment- Intuitive parking assist with automatic braking and support alert- Rain-sensing wipers with windshield de-icer- Wireless device charger- 18-inch split-10-spoke alloy wheels with all-weather floor linersThis vehicle has passed a complete dealer inspection, received a recent oil change, and was professionally detailed to showroom condition. The premium package elevates the ownership experience with wood trim accents, while the optional Z1 accessory package adds practical conveniences. Every surface has been carefully maintained, reflecting how seriously the previous owner valued this sedan.The 2023 ES 300h combines Lexus reliability with hybrid efficiency and premium appointments that justify its reputation. Visit us today to experience the refined comfort and advanced technology this sedan offers.
