Comments

This 2025 Honda Pilot Sport delivers capability and comfort for families and adventurers who demand a reliable three-row SUV. Finished in Black with comprehensive features for modern driving, this model presents a well-rounded package for your next vehicle.- Android Auto and Apple CarPlay integration- 240-Watt 7-speaker audio system- Adaptive Cruise Control with Low-Speed Follow- Lane Keeping Assist System (LKAS)- Blind Spot Information (BSI) System warning- Heated front bucket seats- Automatic temperature control with front dual zone A/C- Rear air conditioning- Power driver and passenger seats- Rear window defroster- Exterior parking camera- 20" Shark Gray alloy wheels- Split-folding second and third-row seats- Four-wheel independent suspension- HondaLink Assist emergency communication systemThe 3.5L V6 engine combines responsive performance with practical efficiency, achieving 19 MPG in city driving and 25 MPG on highways. Paired with an all-wheel-drive system and 10-speed automatic transmission, this Pilot handles various road conditions while maintaining smooth acceleration and stability.Safety systems work together to support confident driving. Electronic stability control, brake assist, and a comprehensive airbag system protect occupants. The Lane Keeping Assist System helps maintain your lane position, while the Adaptive Cruise Control manages speed during highway driving—both valuable features for longer trips and daily commutes alike.The three-row seating arrangement accommodates seven passengers with genuine flexibility. Front bucket seats with heating keep driver and front passenger comfortable, while the reclining third-row seat and split-folding second row adapt to your cargo and passenger needs. Climate zones, individual reading lights, and convenient armrests enhance the driving experience for everyone aboard.Technology enhances usability throughout the cabin. Steering wheel-mounted audio controls keep your attention forward, the 240-watt audio system delivers quality sound, and smartphone integration through Apple CarPlay and Android Auto connects you to navigation and communication apps seamlessly.This vehicle recently passed dealer inspection, received an oil change, and was carefully detailed. It represents a solid opportunity to own a well-maintained three-row SUV with proven reliability and practical features for real-world driving. Contact us to schedule your test drive.
