Comments

This 2021 Nissan Rogue SV is a practical and comfortable crossover that delivers reliable performance for everyday driving. With just over 93,000 miles, this silver SV offers excellent value with strong fuel economy and a well-equipped interior. Whether you're commuting or running errands around town, this Rogue provides the space and features you need.

Key Features:- NissanConnect featuring Apple CarPlay and Android Auto- Front dual zone automatic temperature control- Heated power door mirrors- Power driver seat with telescoping steering wheel- Electronic Stability Control and traction control- 4-wheel disc brakes with ABS- Dual front and side airbags with knee and overhead airbags- Rear parking sensors- 18-inch aluminum alloy wheels- Floor mats with 1-piece cargo area protector

This Rogue has been well-maintained and shows no signs of neglect. The cloth interior is clean and comfortable, and all systems operate as intended. The exterior silver finish has maintained its appearance, and the vehicle is ready for its next owner. With an EPA-estimated 26 city and 34 highway miles per gallon, this crossover balances efficiency with capability. The responsive 2.5L four-cylinder engine paired with the Xtronic CVT transmission provides smooth acceleration and reliable power. Visit us today to take a closer look at this dependable Rogue and see why it's an excellent choice for anyone seeking a quality used crossover.
