Comments

This 2023 Nissan Murano SV in silver combines capable performance with refined comfort. Powered by a 3.5L V6 engine paired with Nissan's smooth CVT transmission, this all-wheel-drive crossover delivers 20 city and 28 highway mpg. With just over 52,000 miles, this vehicle has plenty of life ahead and represents excellent value in today's market.

Key Features:

- NissanConnect featuring Apple CarPlay and Android Auto
- Heated front bucket seats with power adjustment
- Blind Spot Warning system
- Four-wheel independent suspension with electronic stability control
- Auto high-beam headlights with fog lights
- Dual front zone automatic climate control
- Premium leatherette interior trim
- 18" machined aluminum-alloy wheels
- Rear window wiper with speed-sensitive operation
- Carpeted floor and cargo mats

This Murano SV stands out with comprehensive safety features including dual front airbags, side impact airbags, and knee airbags positioned throughout the cabin. The interior welcomes you with heated front seats, a power-adjustable driver seat, and remote keyless entry. Entertainment and connectivity shine through NissanConnect technology with Apple CarPlay and Android Auto integration, plus SiriusXM satellite radio capabilities. Every drive benefits from power steering, all-weather floor protection, and intuitive steering-wheel-mounted audio controls. The Murano SV delivers the practical crossover experience you're looking for. Visit us today to take this capable, well-appointed vehicle for a test drive.
