Comments

This 2023 Nissan Rogue SV in Gray delivers reliable performance and practical value for drivers seeking a well-maintained compact SUV that handles daily commutes and weekend adventures with equal confidence.- 128 point safety inspection completed- Clean Carfax- One Owner- 1.5L I3 Turbocharged engine with 201hp- CVT with Xtronic transmission- Front-wheel drive- 30 city / 37 highway MPG- 6 Speakers with AM/FM Radio and SiriusXM- Front dual zone automatic climate control- Power driver seat with power windows and mirrors- 18" Aluminum Alloy Wheels- NissanConnect featuring Apple CarPlay and Android Auto- Rear Parking Sensors- Four-wheel independent suspensionThe turbocharged 1.5L engine paired with Xtronic CVT transmission strikes an effective balance between responsive acceleration and fuel efficiency. Whether navigating city streets or cruising highways, this configuration delivers steady performance while maintaining economical fuel consumption. Front-wheel drive provides confident traction in varied driving conditions, and the four-wheel independent suspension absorbs road imperfections while maintaining composure through turns. Inside the cabin, the SV trim emphasizes practicality and comfort. Cloth seating accommodates five passengers with front bucket seats and a split-folding rear bench that expands cargo versatility. Dual-zone automatic climate control ensures cabin comfort for driver and passengers independently. The power-adjustable driver seat and telescoping steering wheel help you find your ideal driving position, while power windows and mirrors add daily convenience. Technology integration makes this Rogue a capable companion. NissanConnect with Apple CarPlay and Android Auto connectivity keeps your smartphone seamlessly integrated with the vehicle's interface. SiriusXM satellite radio access provides entertainment options, and steering wheel-mounted audio controls let you manage functions without taking your hands off the wheel. The trip computer and outside temperature display deliver practical information at a glance. Safety features throughout this vehicle reflect Nissan's commitment to occupant protection. A comprehensive airbag system includes dual front, front side-impact, knee, and overhead airbags. Electronic Stability Control, traction control, and brake assist work together to enhance stability and stopping capability. Rear Parking Sensors provide helpful guidance during low-speed maneuvering. The completion of a 128-point safety inspection and the Clean Carfax report underscore this vehicle's solid condition. With one owner and 55,578 miles on the odometer, this Rogue SV represents a vehicle that has been responsibly maintained and is ready for its next chapter. The inclusion of floor mats with a cargo area protector demonstrates thoughtful care. This is an opportunity to own a practical, efficient compact SUV that balances reliability with the features that matter in everyday driving.
