Comments

This 2022 Nissan Rogue SV delivers practical design and reliable performance in a white exterior that stands out on the road. With just over 35,000 miles, this well-maintained crossover offers excellent fuel efficiency, returning 30 city and 37 highway MPG. The turbocharged 1.5L engine paired with CVT transmission provides smooth, responsive driving for daily commutes and weekend getaways. Key Features:- NissanConnect featuring Apple CarPlay and Android Auto- Automatic temperature control with front dual zone A/C- Rear parking sensors- 18" aluminum alloy wheels- Heated power door mirrors- Four-wheel independent suspension with electronic stability control- Remote keyless entry with illuminated entry- Steering wheel-mounted audio controls- Dual front and side impact airbags with knee airbag- Chrome rear bumper protector with black splash guardsThe Rogue SV comes well-equipped with comfort and convenience features designed for today's driver. The cabin offers cloth seating with front bucket seats, a split-folding rear seat for added versatility, and an overhead console. Connectivity is seamless with SiriusXM-capable AM/FM radio and smartphone integration through Apple CarPlay and Android Auto. Climate control includes automatic temperature management with rear window defroster, while power windows, mirrors, and steering wheel provide convenient operation. Safety and control are prioritized throughout, with four-wheel disc brakes, ABS, electronic stability control, and traction control working together to keep you secure. This crossover also features a comprehensive airbag system, including knee and overhead airbags, plus rear parking sensors to help with maneuvering. Visit us today to experience the practicality and efficiency this 2022 Nissan Rogue SV has to offer.
