Comments

Introducing this 2024 Nissan Pathfinder S in black, a three-row SUV built to meet the needs of families and active drivers who demand capability and comfort in their daily lives.- Dual-zone front air conditioning with rear air conditioning- Apple CarPlay and Android Auto integration- Blind spot warning system- Rear parking sensors- Automatic high-beam headlights- Electronic stability control and traction control- Four-wheel independent suspension- Remote keyless entry with illuminated entry- Rear window defroster and rear window wiper- Split-folding rear seat for flexible cargo space- Three-row seating with reclining third-row bench seat- Comprehensive airbag system including dual front impact, dual front side impact, knee, and overhead airbags- 3.5L V6 engine with 9-speed automatic transmission for responsive acceleration- 18-inch alloy wheelsThis Pathfinder delivers practical three-row seating that accommodates up to eight passengers, making it well-suited for larger families or those frequently traveling with groups. The flexible interior configuration allows the split-folding rear seat and reclining third row to adapt to your cargo needs, whether you're hauling groceries or gear for weekend adventures.Under the hood sits a 3.5L V6 engine paired with a 9-speed automatic transmission and front-wheel drive, delivering 20 mpg in the city and 27 mpg on the highway. This balance of power and efficiency helps you get more from each trip while maintaining the capability expected from a full-size SUV.The safety features demonstrate Nissan's commitment to protecting you and your passengers. A nine-airbag system, electronic stability control, traction control, blind spot warning, and rear parking sensors work together to provide comprehensive protection and enhanced awareness during your daily commute or longer journeys. Four-wheel disc brakes with ABS ensure confident stopping power in various driving conditions.Inside, you'll find a thoughtfully designed cabin with cloth seating surfaces, front bucket seats with a center armrest, and multiple creature comforts like steering wheel-mounted audio controls, a trip computer, and NissanConnect featuring Apple CarPlay and Android Auto compatibility. The AM/FM radio with SiriusXM and six speakers keeps you entertained while dual-zone automatic temperature control maintains comfort for all passengers.This 2024 Pathfinder S represents dependable family transportation with the features that matter most. We invite you to visit our showroom to experience this SUV firsthand and discover why this model continues to be a trusted choice for drivers seeking space, safety, and value.
