Comments

This 2021 Hyundai Santa Fe SEL in Black is a well-maintained three-row crossover ready to serve your family's transportation needs with reliability and practical capability.- Android Auto and Apple CarPlay integration- Cargo Package with tray and net for organized storage- Heated front bucket seats for comfort in cold weather- Rear backup camera for confident parking and reversing- Power driver seat with multiple adjustment options- Fully automatic headlights with delay-off feature- Remote keyless entry system- Steering wheel mounted audio controls- SiriusXM satellite radio with AM/FM capability- Electronic Stability Control and traction control- Four-wheel independent suspension- 18-inch alloy wheels- Split folding rear seat for flexible interior configurations- Dual front and side impact airbagsUnder the hood, the 2.5L four-cylinder engine provides dependable performance while delivering an estimated 25 miles per gallon in the city and 28 on the highway. The eight-speed automatic transmission with SHIFTRONIC control gives you both smooth everyday driving and the option for manual gear selection when desired. Front-wheel drive enhances fuel efficiency and provides capable handling in various driving conditions. Inside, you'll find a comfortable and functional cabin designed for family-friendly use. The heated front bucket seats offer warmth during colder months, while the power driver seat allows you to customize your seating position. The split folding rear seat provides excellent flexibility for passengers and cargo alike. Dual-zone air conditioning keeps all occupants comfortable, and the stain-resistant cloth seat trim helps maintain the interior's appearance over time. Safety features are comprehensive on this Santa Fe SEL. The vehicle includes dual front and side impact airbags, electronic stability control, traction control, and four-wheel anti-lock brakes. The rear backup camera provides visual assistance when reversing, and speed-sensing steering adapts to your driving speed. A low tire pressure warning system and emergency communication capability round out the safety offerings. The exterior presents a clean appearance with body-color bumpers, heated power door mirrors, and automatic headlights that enhance visibility and safety. Mudguards protect the lower bodywork, while the included cargo package with tray and net ensures organized storage solutions. This vehicle has passed a thorough dealer inspection, recently received an oil change, and has been professionally detailed. The 2021 Hyundai Santa Fe SEL is ready for your family's next chapter. We invite you to visit our showroom and take this well-equipped crossover for a test drive today.
