Comments

This 2023 Toyota Highlander Hybrid LE delivers reliable three-row family transportation with an efficient hybrid powertrain and thoughtful standard conveniences.- 2.5L I4 Hybrid engine with eCVT and AWD for balanced performance and efficiency- 35 city/35 highway MPG for responsive, economical driving- Three-row seating with split-folding rear seats for flexible cargo capacity- 8" Toyota Audio Multimedia touchscreen with Apple CarPlay and Android Auto- SiriusXM satellite radio and steering wheel audio controls- Dual-zone automatic climate control with rear air conditioning- Power liftgate, heated power mirrors, and fully automatic headlights- Front fog lights and rearview camera for confident driving visibility- Remote keyless entry and electronic stability control- Advanced airbag system including knee and overhead airbags- All-weather floor and cargo liners for protection- Leather steering wheel and shift knob- Emergency communication system with Safety Connect trial subscriptionThis Highlander presents a practical choice for families seeking capability without complexity. The hybrid system delivers steady fuel economy whether navigating city streets or highway routes, both rated at 35 mpg. All-wheel drive provides traction across varied weather conditions, while the spacious interior accommodates passengers and cargo with three rows of seating and a split-folding rear seat for adaptability.The cabin balances comfort with functionality. Dual-zone climate control keeps front and rear passengers comfortable independently, complemented by rear air conditioning. The leather-trimmed steering wheel and shift knob provide quality feel, while the 8-inch multimedia screen integrates modern smartphone connectivity through Apple CarPlay and Android Auto. Power windows, steering wheel audio controls, and telescoping steering wheel adjust to your preferences.Safety features are comprehensive. A robust airbag system includes dual front impact, dual front side impact, knee, and overhead airbags working alongside electronic stability control and four-wheel disc ABS brakes. The rearview camera assists with backing maneuvers, and the low tire pressure warning system monitors tire health. Safety Connect provides emergency communication capabilities.Practical touches come standard: heated power mirrors with turn signal indicators, fully automatic headlights with delay-off function, front fog lights for visibility, and a power driver seat for personalized positioning. The rear window defroster and variably intermittent wipers handle changing weather. Included all-weather floor and cargo liners protect interior surfaces from spills and dirt.This Highlander Hybrid LE represents dependable family transportation designed around everyday needs. Its combination of fuel efficiency, spacious seating, comprehensive safety features, and modern conveniences makes it a sensible investment for drivers prioritizing reliability and practicality. We invite you to examine this vehicle in person and experience its straightforward value proposition firsthand.
