## Comments

Discover the sophisticated comfort and practicality of this 2024 Toyota Sienna Platinum 7 Passenger, finished in elegant Silver with just 35,000 miles on the odometer. As a one-owner vehicle backed by a clean Carfax report and a comprehensive 128-point safety inspection, this minivan represents both quality assurance and genuine peace of mind for the discerning family.- Premium JBL Audio System with Navigation and 12 Speakers- Power Liftgate with Easy Access Control- Dual-Zone Front and Rear Climate Control- Heated Front and Rear Seats with Ventilation for Front Seats- 20-Inch Bright Alloy Wheels with All-Weather Floor Liners- Power Moonroof for Added Light and Airflow- Heads-Up Display for Enhanced Driving Awareness- Memory Seats Personalized to Driver Preference- Rear Camera with Exterior Parking Assistance- Leather Steering Wheel and Shift Knob- Lane Departure Warning System- Illuminated Door Sills with HomeLink Garage Door Transmitter- SiriusXM Radio with Apple CarPlay and Android Auto Integration- Three-Year Safety Connect Emergency Communication System- Paint Protection Film and Cross Bars for Enhanced ProtectionThe Sienna's 2.5-liter four-cylinder engine paired with a continuously variable transmission delivers a steady 36 mpg in both city and highway driving, making this vehicle efficient for daily commutes and longer journeys alike. The front-wheel-drive configuration provides reliable traction while maintaining the spacious interior that families rely on.Platinum-level appointments throughout this minivan showcase premium attention to detail. The leather-appointed seating surfaces, heated and ventilated front seats, and heated rear seats ensure comfort throughout the seasons. The automatic temperature control system with separate front and rear zones allows all passengers to find their ideal climate preference. Dual-zone air conditioning extends climate control convenience to rear passengers.Safety and convenience features work seamlessly together in this Sienna. The lane departure warning system keeps you aware on the highway, while electronic stability control and traction control manage grip in varied conditions. Four-wheel disc brakes with anti-lock technology provide confident stopping power, and the array of airbags—including front, side, knee, and overhead protection—creates a comprehensive safety net for all occupants.The practical enhancements extend from illuminated entry and illuminated door sills to the rear window wiper and rain-sensing wipers that activate automatically. The reclining third-row seat accommodates both passengers and cargo needs, while the split-folding rear seat and split-bench third-row configuration offer flexible interior arrangements. The heated steering wheel and memory seat functions tailor your driving position to personal preference.The dealer has invested in this vehicle's protection and presentation with paint protection film, mudguards, an all-weather floor liner set, and protective cross bars already installed. The rear bumper applique adds another layer of durability. These additions, combined with the clean history and thorough inspection, demonstrate careful stewardship of this vehicle.This 2024 Toyota Sienna Platinum represents genuine value for the family seeking a refined, well-maintained minivan with premium features and proven reliability. We invite you to schedule a test drive and experience firsthand the combination of efficiency, comfort, and practicality this vehicle delivers.
