The 3.5L V6 engine paired with the electronically controlled continuously variable transmission provides smooth acceleration while the all-wheel drive system keeps you confident in any weather condition. This is efficient transportation that doesn't feel like a compromise.Interior appointments reflect the XLE's premium positioning. Heated leather bucket seats in the first and second rows offer genuine comfort, while the three-row configuration ensures every passenger enjoys their journey. The power-adjustable driver seat and memory functions allow quick customization for different drivers. Dual-zone automatic climate control with rear air conditioning and window defroster demonstrates attention to passenger comfort throughout the cabin.Technology integration makes this Highlander Hybrid feel current and connected. The Entente Premium Audio system with navigation, paired with Android Auto and Apple CarPlay, keeps you informed and entertained. Steering wheel-mounted audio controls and a trip computer provide convenient access to essential information without taking your focus off the road. The panoramic moonroof floods the cabin with natural light and creates an open, airy atmosphere.Practical features acknowledge the real demands of family ownership. The tow hitch and wiring harness package enables you to tow when needed, while the rear backup camera provides essential visibility when reversing. The cargo cover protects your belongings, and the included four-season floor liners and cargo mat protect your investment. Body side molding and the rear bumper protector help maintain your vehicle's appearance through years of use.This Highlander Hybrid has passed our comprehensive dealer inspection and received recent service including an oil change and professional detailing. It represents a thoroughly prepared vehicle ready to serve your family with the reliability Toyota's nameplate promises. Come see it in person today.
