Comments

This 2024 Toyota Highlander XLE combines practical three-row seating with a responsive turbocharged engine that delivers 265 horsepower and achieves 21 city and 28 highway mpg. Finished in Black with approximately 52,414 miles, this well-maintained vehicle recently passed dealer inspection, received a complete detail, and is equipped with a fresh oil change, ensuring you start ownership with confidence.- Android Auto and Apple CarPlay connectivity- 8-speed automatic transmission with AWD capability- All-wheel drive traction and control systems- 3rd row split-bench seating for flexible passenger and cargo configurations- Power liftgate for convenient trunk access- Front dual zone automatic climate control with rear air conditioning- Heated power door mirrors with turn signal indicators- Leather steering wheel and shift knob- Alloy wheels with 3.329 axle ratio- SiriusXM AM/FM radio with steering wheel audio controls- Exterior parking camera with rear window defroster- Telescoping tilt steering wheel with speed control- Front fog lights with automatic high-beam headlights- Comprehensive airbag protection including dual front, side, and overhead systems- Safety Connect emergency communication system with up to 10-year trial subscriptionThe Highlander's three-row layout provides genuine versatility for families and those who value flexible interior space. The reclining third row seat and split-folding rear configuration allow you to balance passenger comfort with cargo capacity, adapting to your needs whether you're hauling groceries or traveling with a full cabin. Front bucket seats with a center armrest offer comfortable positioning for daily drives, while the power driver seat enables personalized adjustment.Climate management spans all three rows through dual front zone control and dedicated rear air conditioning, so every passenger enjoys comfort regardless of season. The rear window defroster keeps visibility clear, and automatic temperature regulation minimizes your attention to cabin conditions while you focus on the road.Safety systems throughout this Highlander reflect Toyota's commitment to protection. Multiple airbag types, electronic stability control, traction control, and four-wheel independent suspension work together with four-wheel disc brakes and ABS to provide responsive stopping power and confident handling. The rear parking camera gives you clear visibility when reversing, while the low tire pressure warning system monitors critical maintenance indicators.Connectivity features keep you integrated with your digital life. Both Android Auto and Apple CarPlay functionality allow seamless smartphone integration, and the SiriusXM radio system offers premium audio options. Steering wheel-mounted controls let you adjust audio, answer calls, and manage features without taking your hands from the wheel.We encourage you to visit our showroom to experience this Highlander XLE firsthand. Our knowledgeable team looks forward to discussing this vehicle's features and helping you understand how it meets your driving needs. Schedule your visit today.
