The 2.5L four-cylinder engine paired with a continuously variable transmission delivers smooth acceleration while maintaining excellent fuel economy. The front-wheel-drive system provides confident handling in various road conditions. Inside, you'll find comfort features designed for every passenger. Heated front bucket seats keep you warm during cooler months, while the split-folding rear seats offer flexibility for cargo or passengers. The three rows of seating accommodate up to eight people, with the third row featuring a split-bench design and reclining capability. Dual-zone climate control in both front and rear ensures everyone rides comfortably. Technology enhances your driving experience with seamless smartphone integration through Apple CarPlay and Android Auto. The power liftgate opens and closes at the touch of a button, simplifying loading and unloading. Lane Departure Warning System helps keep you alert on longer drives, while the exterior parking camera assists with rear visibility during tight maneuvers. The Beige exterior with special color option and roof rails gives this Sienna a distinctive appearance while adding practical storage solutions. This vehicle has passed dealer inspection, received a recent oil change, and has been thoroughly detailed to ensure it's ready for you. We invite you to visit our showroom to experience this versatile family van firsthand and discuss how it can serve your transportation needs.
